

- **Wytron Memory Card Duplicators** -

= **The Best products you can find all over the world** =

★ **SD Duplicator** **SD-2000** : 20 – target

SD-800 : 8 – target

★ **CF Duplicator** **CF-1000** : 10 – target

CF-600 : 4 – target

★ **DOM Duplicator** **DM-1000** : 10 – target

DM-600 : 4 – target

★ **USB Duplicator** **USB-1000** : 10 – target

Common features for all lines of product

Professional industrial design, non-PC structure

Lot of equipments are using PC motherboards as their controllers but fail to have good reliability and robust mechanism. Only with Wytron's dedicated controller board will provide sufficient capability to setup the machine with best performance and, the top quality with long-term expectancy.

Functionality to meet different customers' need

Through intelligent detection by well programming on Wytron's memory card duplicators, users can copy their memory discs with only data area to accomplish the duplication task, no need to copy entire capacity of master disc, avoid of wasting time on copying empty area. Moreover, copy onto different targets or operation in mixing different targets can be done without problem.

Fastest hardware specification compliance

All Wytron's memory card duplicators are designed with latest technique to reach the best and fast performance in order to reach the ultimate cost-efficiency.

Power auto-control for safer operation

With thoughtful consideration of protecting memory discs connected, Wytron makes her products output the power to memory discs in operation only. When operation is finished, power will be cut off automatically to secure the safety of memory discs themselves.

Firmware upgradable to suit future's requirement

All Wytron's memory card duplicators are not only built for nowadays but to suit the need for future since the high development and unpredictability for PC industry. Only to modify the BIOS for duplicators continuously can guarantee the customers' investment by long-term availability. Firmware for all Wytron's memory card duplicators can be promoted with latest version easily by users themselves.

Durable structure to ensure the long-term usage

All Wytron's memory card duplicators are built to be strong and robust so as to have longest servicing period.

Specification

MODEL	SD-2000	SD-800	CF-1000
Memory disc	SD (Standard) MMC / MiniSD / MircoSD via adapter	SD (Standard) MMC / MiniSD / MircoSD via adapter	CF / CF-type HDD (Standard) Other memory disc via adapter
Operation / Target	Independent / 20 targets	Independent / 8 targets	Independent / 10 targets
Bandwidth	720 MB / Minute	720 MB / Minute	2 GB / Minute
Power Supply	180 W / 115V or 230V Switch	230 W / 115V or 230V Switch	180 W / 115V or 230V Switch
Hard drive	Optional (On-the-fly, w/o HDD)	Optional (On-the-fly, w/o HDD)	Optional (On-the-fly, w/o HDD)
OS Compatibility	Windows, Mac, Linux, etc.	Windows, Mac, Linux, etc.	Windows, Mac, Linux, etc.
Packing dim.	500 x 425 x 300 x 11 Kgs	500 x 350 x 300 x 10 Kgs	500 x 425 x 300 x 11 Kgs
Copy	Copy, Quick Copy	Copy, Quick Copy	Copy, Quick Copy
Compare	Compare, Quick Compare	Compare, Quick Compare	Compare, Quick Compare
LCD Display	20 x 2 Text	20 x 2 Text	20 x 2 Text
MODEL	CF-600	DM-1000	DM-600
Memory disc	CF / CF-type HDD (Standard) Other memory disc via adapter	40-pin / 44-pin DOM (Standard) 2.5" IDE HDD (Option via ATT44)	40-pin / 44-pin DOM (Standard) 2.5" IDE HDD (Option)
Operation / Target	Independent / 4 targets	Independent / 10 targets	Independent / 4 targets
Bandwidth	2 GB / Minute	2 GB / Minute	2 GB / Minute
Power Supply	180 W / 115V or 230V Switch	120 W / 115V or 230V Switch	120 W / 115V or 230V Switch
Hard drive	Optional (On-the-fly, w/o HDD)	Optional (On-the-fly, w/o HDD)	Optional (On-the-fly, w/o HDD)
OS Compatibility	Windows, Mac, Linux, etc.	Windows, Mac, Linux, etc.	Windows, Mac, Linux, etc.
Packing dim.	500 x 350 x 300 x 10 Kgs	620 x 400 x 220 x 9.5 Kgs	430 x 400 x 220 x 7 Kgs
Copy	Copy, Quick Copy	Copy, Quick Copy	Copy, Quick Copy
Compare	Compare, Quick Compare	Compare, Quick Compare	Compare, Quick Compare
LCD display	20 x 2 Text	20 x 2 Text	20 x 2 Text
MODEL	USB-1000		
Memory disc	USB pen drive		
Operation / Target	Independent / 10 targets		
Bandwidth	720 MB / Minute		
Power Supply	180 W / 115V or 230V Switch		
Hard drive	Yes		
OS Compatibility	Windows, Mac, Linux, etc.		
Packing dim.	500 x 425 x 300 x 11.5 Kgs		
Function	Copy, Quick Copy, Compare, etc.		
LCD display	20 x 2 Text
